## Seventies' Quorum Prepares Meeting

The 45th Quorum of Seventies will hold their first meeting of the year, announced President Jack Nelson.

It will be in room 106 of the Sister Knight Bldg. Sunday at 8 a.m.

All Seventies who belong to any of the three BYU Stakes are members of the 45th Quorum and are required to be present.

## President Wilkinson's Speech Aimed at First Year Students

President Ernest L. Wilkinson will be first speaker at the 1962-63 Forum series at BYU.

The President's annual address, intended for new students, will be presented Monday at 10 a.m. in the Smith Fieldhouse.

**O**VER 11 YEARS ago Dr. Wilkinson came to BYU from his practice in Washington, D.C. BYU enrollment has doubled under his administration to a present total of over 11,000.

The rapid growth has required the president to expand the faculty and staff and to direct a vast building program.

Dr. Wilkinson, a 1921 graduate of BYU, received the LL.B. degree in 1926, summa cum laude, from George Washington University Law School. At Harvard University he completed an advanced course designed for those intending to teach law and was awarded the doctor's degree of juridical science.

**A**FTER SEVERAL years of teaching experience and working in law offices, Dr. Wilkinson organized his own firm. It is one of the best known in law for winning the case of the Utah State of Colorado and Utah against the federal government.

After 16 years of work and evidence totaling \$40,000, Dr. Wilkinson won four judgments totaling \$31,500,000 for his

clients. The judgments are probably the largest ever rendered by the U.S. Court of Appeals.

Dr. Wilkinson also is chancellor of the Unified Church School System, which includes seminaries near high schools throughout the country, institutions at many universities, LDS Business College, Ricks College, and an academy and elementary schools in Mexico.

## Asian Flu Shots Available Now

by Ardean Toler  
University Feature Writer

In the winter of 1959-60, the United States had an epidemic of Asian Flu. Some 60 per cent of BYU students were infected, according to Mervy Wiley, Medical Student Health Center nurse.

Asian Flu hits in two or three year cycles, so a large outbreak is expected about mid-December.

"Students should get their first flu shots as soon as possible, then have a booster shot before the holidays," declared Dr. Paul Edmunds of the Health Center. If a student had the immunization shots last year, he will only need a booster this year, according to Dr. Edmunds.

"Students getting physical examinations can get their influen-

za shots then. To save time, other students should come for shots from 8 to 9:30 a.m. and 12:30 to 1:30 p.m. any day," stated Miss Wiley.

The flu shots cost 75 cents each.

## U Circle K Club Wins National Post

Delegates from BYU and other schools throughout the U.S. and Canada attended the seventh annual convention of Circle K International this past August in Diego.

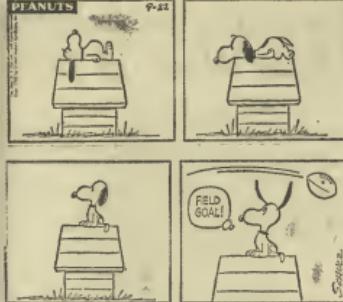

Representing the BYU chapter at the convention were Lynnwell, Stephen Burnham and D. Nelson.

During the course of the con-

vention the delegates were organized into various committees whose purpose being to bring forth ideas of service for the Circle K Clubs to use in the Universities throughout the U.S. and Canada.

The highlight of the convention was the nomination and election of the International officers. Lynn Powell, who was then an International trustee, was elected to the post of vice president of Circle K International.

There were 400 delegates at the convention representing 8,000 members.

## The Gant Story

We believe that Gant shirts have a certain well-bred look. We believe that Gant shirts are made to last. For all others. Careful tailoring and adherence to a strict tradition are qualities indigenous to Gant. The emphasis here is on meticulous detail in a heritage of conservatism.

Do you like a really neat, well fitting collar? Softly faced collar construction is **gently RIGHT**. Do you want to hang your shirt up? A triple hanger loop sets Gant shirts apart from lesser? Over 100 years can't be the answer. There's a full length box pleat back for trimness, too. Precise stitching lets the easy barrel cuffs roll up at mid-point.

The Gant shirt has been designed to serve you through a lifetime of correct dressing. There is painstaking workmanship in every fine Gant shirt...it comes from the expert craft of New England tailors and weavers. The craft explains why the careful details of these Gant shirts have been many times imitated but never duplicated.

Charlotte, N.C.—Residents are incensed about the method a policeman used yesterday to rid their neighborhood of a skunk—a shotgun blast at close range.

Norwalk, Iowa, (UPI)—Burglars worked their way through school here the other night.

Police said they had a snack in the elementary school cafeteria, took \$300 from the junior high school and pried open the door to the high school to rifle filing cabinets.

# BYU Cross Country Favored in New WAC

Coach Robison and his staff expect their cross country team to stand out in the new Western Athletic Conference much the same as it has for the past decade in the former Skyline Conference.

**THE COACHING** staff is relying heavily upon returning lettermen to carry much of the load. Dean Dundell, a senior, and two juniors: Larry Austin and Larry Winward from Hillside.

Lorenzo Griffith will, in all probability, form the core of this year's team. Lundell won the conference championship for the half-mile in his sophomore year here.

In addition to these men, Coach Robison has his eye on two very promising freshmen: Ron Morgan, who holds the Utah State record for the Class A mile, and Larry Winward from Hillside.

CalMF, who last spring tied the national record in the two-mile race with 9:24.8, should do well for the Cougars.

SIX MORE country meets have been agreed upon. The Conference Meet will be held at Arizona State. The "X" is also entered in two dual meets, the National AAU meet, and the local BYU meet. The dates for these duals have not yet set at a later date by the WAC.

Coach Robison expressed the feeling that too often a boy, because he has not been contacted by the University, feels that he has not the ability to make the team. "The most important states," he said, "are the ones that carry the ball themselves in their preparation for tomorrow's game against the George Washington Colonials.

HE URGES all those who are interested to attend the track meeting this afternoon at 4 p.m.

## Cats Set for Colonials

### After Week of Drills

"Rise and shout, the Cougars are out." That's the right song, the right team, and very much the right spirit.

EVERY WAKING moment since the Y squad scared the cat-skins off the Wildcats from Ardmore, has been football frenzy in Cougartown. Coach Mitchell has been working hard, however, carrying the ball himself in his preparation for tomorrow's game against the George Washington Colonials.

Although this game will climax the Hello Week program, Coach Mitchell is planning a very unneighborly greeting for the Colonials. If everything goes according to script the visitors should go home somewhat unhappy about their westward journey.

SMALL, elusive Eldon Forte will undoubtedly carry most of the offensive load, but he should have a number of eager hands to help him in his task.

All is not completely sunny in Cougartown, however. Coach Hal

Mitchell does have a few problems that he has to cope with. These problems are the Colonials' offensive stars, Frank Faz and Dick Drummond and the derelict problems of the gara.

PAZZAGLIA is rated as

the best passers in the East this year, but he has had defense troubles in the past which could prove to be difficult.

Durwood has been solid defensive in the East while he has been doing in the West. With this the game could be a dual between fleet back versus fleet tailback.

THE CAT squad will definitely be outgunned, both in the air and in overall team weight. Colonials' line outweighs Cougars' by 17 pounds and overall team by 17 pounds as well. However, Mitchell says he hopes his team can spread large enough to cover the Colonials' aerial attack and speed and desire in halting Cougartown's big linemen.

# Tutoring Service Offers Help Again to Remedial Students

When that advanced calculus class proves impossible to understand and there is an answer to the problem.

The Tutoring Service again this year will offer aid to students who encounter special difficulty in their classes. In addition to general instructions, students who find

things getting out of hand will be able to ask for a tutor to help them through.

Mark Larsen, Tutoring Service director, said that there are three important points to remember. First, don't let things like assignments or reading work pile up. This makes problems multiply

Second, he points out that a student who finds this has happened must take the initiative in seeking help. It is necessary to recognize the problem and decide to do something about it.

Third, the student should re-

member that many sources of help are available. These include teachers, advisors, department head sections, the Skills Improvement Service, the Counseling Service, the Academic Standards Department, the Tutoring Service and others.

In past years many students

have found that the individual instruction provided by a tutor from Tutoring Service has helped them overcome their difficulties. This usually results in improved grades, Mr. Larsen pointed out.

Students wishing to obtain the services of a tutor or further information should contact the Academic Standards Office, A-285 Smoot Bldg., or call ext. 2085.
